Barriers to School Attendance

An opportunity to be involved in the co-production of the offer of support across Enfield

Join colleagues from across Enfield for a film screening and facilitated discussion exploring barriers to school attendance.

This is a chance to co-produce Enfield's Barriers to Attendance offer by sharing your experiences and identifying what needs to change.

Together we will:

- Build a shared understanding of the barriers children, young people and families experience.
- Share existing support, resources and effective practice.
- Explore where schools, families and services encounter difficulties accessing or coordinating support.
- Identify what a more cohesive and accessible local offer needs to include.

Wednesday 3rd December

1.30 - 3.30 pm

Wren Academy, EN2 8GH
