

Senior Mental Health Lead Network Meeting

The overarching purpose of the network meeting is to establish an Enfield wide group to support the developing role of the Senior Mental Health Lead.

It will include:

- ▶ Updates on new initiatives for Enfield regarding promoting children's emotional wellbeing and mental health.
- ▶ Considering individual training needs and accessing the DfE training offer.
- ▶ The Local Offer: updates on local services relating to promoting emotional wellbeing and mental health.
- ▶ Introducing and embedding the Thrive Framework (within schools and across the local area).
- ▶ Access to reflection to share good practice and problem solve.

If you have not already registered you will need to **complete this form**

The EPS will hold this information for the purpose of running and evaluating the Senior Mental Health Lead Network meeting.
