

School

is

closed

I

am

keeping safe

from Corona

virus.

This means

I

am not

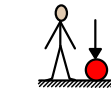

going to school.

I

am

staying at

home.

My

family,

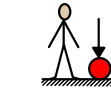

teachers

and

class

are

staying at

home

too.

This is to

keep

us

safe.

My

teachers

will give

me

work

to do at

home.

My

family

will

help

me

do this.

My

teachers

will be

happy

that

I

am

learning

and

keeping safe.

School

is

closed

but

I

am

keeping safe.

This is

good.
