

Social distancing

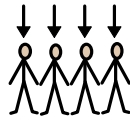

I

need to

help

keep

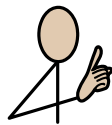

everybody

safe

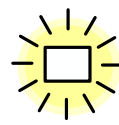

from

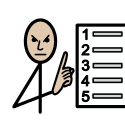

Coronavirus. I

must

follow these

new

rules

at

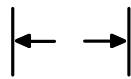

home

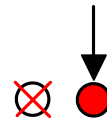

and at school.

2

apart

from

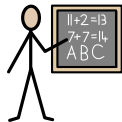

other

people.

My

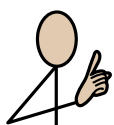

teachers

will

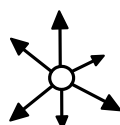

remind

me to do this.

I must

to do this

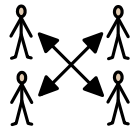

everywhere

cannot

touch

anyone

at

school.

cannot

give

hugs,

high fives,

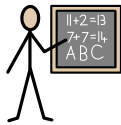

shake hands

or

fist bumps.

My

teachers

will

help

me if it is

important

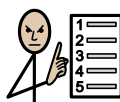

that I

touch

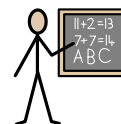

somebody.

When I follow these

rules

my

teachers

and

family

will

be

proud

of me.
