

Wearing  my  face mask at  school

At  West Lea  all  students and  staff  must wear a

 face mask  when  we  walk to  our  classrooms and  when we

 leave our  class  bubble.

Wearing a  face mask  helps  stop  germs  spreading.

Wearing a  face mask  might  feel  uncomfortable at  first.

But  I will be  ok.

When  I  wear my  face mask it  must  cover my  mouth and

my nose.

Even though I am wearing a face mask I can still have fun

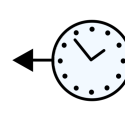

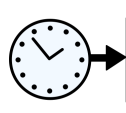

at school.

I can ask my teacher if I need help with my face mask.

Wearing a face mask at school is different.

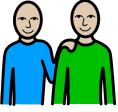

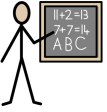

It may take me some time to get used to it.

That is ok.

Wearing a face mask at school will keep me safe and it will

 keep  my friends  and teachers  safe too.
