Professional Learning Brochure Summer 2021

We are very happy to share with you our updated **Summer Term 2021 brochure for Professional Learning** led by the School and Early Years Improvement Service.

We are **moving platforms – from after Easter – 19th April – all professional learning will be accessible through the hub**; the URL will be shared after Easter. Booking can still take place on www.enfieldpdonline.org.uk until after Easter. We will hold a meeting for SBMs at the start of term (and send the recording).

The school-based booker authorized to book (usually the SBM) will remain the same unless we are informed. Schools can choose to pay by card or be invoiced.

For those schools that bought back into Professional Learning packages for either PL, SEND or TAs 2020-2021, all relevant sessions remain at no extra cost until the end of the summer term 2021.

For all other schools, all sessions are available on a Pay As You Go basis.

Any questions please contact seyis@enfield.gov.uk

All sessions remain online (except for First Aid); we will send out links by email to those registered as attendees 24 hours before the start of the session.
