

Observation & Assessment
in the Early Years

Are you ready for the new EYFS Framework in September 2021?

We believe we have created a wonderful 'Observation of Play and Learning' (OPAL) assessment tool that we would love to share for FREE, which reduces unnecessary paperwork and gives you back time to spend with children.

To find out more please join us on

Thursday 6 May, 4 - 5pm

at our Zoom Meeting

<https://us02web.zoom.us/j/88483129924>

Let's put the joy back into observing children!

We have recently written a series of guest blog posts about OPAL for Alistair Bryce Clegg over at www.abcdoes.com.

You can read the blogs by following the links below.

[OPAL - A different way to look at assessment in Early Years](#)

[OPAL - How it works in practice](#)

[OPAL - Thoughts from practitioners](#)
