Dear Head Teacher/Principal,

I am writing regarding the borough's School Nursing offer and hope that this will prove helpful in clarifying what the service offers and how we hope to further develop it.

The mainstream School Nursing team forms part of the wider 0-19 service, which also includes Health Visiting. The service is commissioned by the Local Authority's Public Health commissioning team and works with maintained schools as well as offering some provision to academies.

A separate Specialist School Nursing team is commissioned by the North Central London Clinical Commissioning Group (NCL CCG). This service primarily works with Special Schools.

In October 2020, as part of a re-commissioning exercise, provision of the mainstream School Nursing service transferred from Barnet, Enfield & Haringey Mental Health Trust (BEH-MHT) to North Middlesex University Hospital (NMUH). The Specialist School Nursing team remains with BEH-MHT.

Under previous arrangements, the service had offered safeguarding support and the National Childhood Measurement Programme (NCMP) to all schools in Enfield; however, some elements were not available to academies.

As part of the re-commissioning arrangements, I am pleased to be able to inform you that in addition to this, the service is now offering its training programme to academies, which includes:

- Asthma training
- Epi-pen usage
- Epilepsy medication administration

 If you need this document in another language or format contact the service using the details above.

Furthermore, the commissioning team will be reaching out to all schools in the coming months to consult with you on the effectiveness of the service and what else it could provide.

I hope you find this information helpful. If you do have any further questions in the meantime, please contact the borough's Service Manager for Children & Public Health Commissioning:

Service requests should continue to be made directly to the School Nursing service at:  
[northmid.cedarsn@nhs.net](mailto:northmid.cedarsn@nhs.net)

Yours sincerely,

Peter Nathan  
Director of Education

**IMPORTANT** – Enfield residents should register for an online Enfield Connected account. Enfield Connected puts many Council services in one place, speeds up your payments and saves you time – to set up your account today go to [www.enfield.gov.uk/connected](http://www.enfield.gov.uk/connected)
