STARS

21st May 2021

www.enfield.gov.uk

Striving for excellence

Today we will discuss:

- What is STARS
- Why take part in STARS
- Role of a School Travel Champion
- Climate change Emergency
- Ideas of how to promote Active Travel

What is STARS?

STARS – Sustainable Travel: Active, Responsible, Safe

STARS is a TfL accreditation scheme for London schools and nurseries.

<https://stars.tfl.gov.uk/>

Accreditations!

These need to be completed by the end of June.

You must:

- Complete a hands up survey
- Update your targets on the STARS website

Why take part in STARS?

STARS helps encourage young people and the whole school community to adopt safer and sustainable ways of travelling to school.

Role of a School Travel Champion

- Main contact at school
 - Help organise and promote activities and events
 - Upload stories to STARS
- *Training is available

Climate Change Emergency

Ideas of how to promote Active Travel

- Walk to School Week
- Bike Week (30th May – 5th June)
- London Climate Action Week &
- Green Transport Week 26th June – 3rd July
- Bikability Training
- Car Free Day
- Road Safety Week
- Pre Transition presentations to year 6 & 7
- JTA Junior Travel Ambassadors
- YTA Youth Travel Ambassadors
- School Streets
- TfL STARS Forum 15th June

I'm here to help!

Alex Kidd
Safe & Sustainable
School Travel Officer

ENFIELD NEIGHBOURHOOD FUND

www.enfield.gov.uk

Striving for excellence

What is the Enfield Neighbourhood Fund?

- A new fund that has been set up to help improve neighbourhoods across the borough
- Funding comes from the Community Infrastructure Levy (a charge applied to buildings and extensions to residential and commercial properties)
- Some of the money is spent on key infrastructure (e.g. road and rail) and some is spent on neighbourhoods
- The fund is worth up to £1.4m over two years (bids should generally be between £10-60k, although exceptional bids will be considered)
- Applicants will need to be able to show how their project would provide improved outcomes for residents and these should be linked to the Enfield Poverty and Inequality Commission findings

What is the Enfield Neighbourhood Fund?

- The £1.4m funding will be split as follows:

	Internal Stakeholders (this includes Council departments)	External Stakeholders (this includes community representatives and charitable organisations)
Year 1 2021/22	£350,000	£350,000
Year 2 2022/23	£350,000	£350,000

What sort of projects are suitable?

- Projects should fit criteria linked to the Enfield Poverty and Inequality Commission findings
- A wide range of examples can be accessed via the website
- Projects might include:
 - improvements to streets and local green spaces
 - flood risk management solutions
 - habitat creation and restoration
 - climate change mitigation and adaptation
 - skills and training
 - community safety measures
 - festivals and events
 - new community, health and social care facilities
 - on-going maintenance and management of assets

Examples of projects for schools to consider

- Localised improvements to increase pedestrian space at schools and colleges
- Air infiltration units to tackle pollution within school classrooms
- Traffic calming measures (e.g. speed bumps and 20 mph zones) outside schools and colleges
- Provision of inclusive, outdoor spaces within school grounds
- Provision of youth outreach activities contributing towards safer schools needed because of the added pressures placed on an area by development
- Facilities for childcare
- Special educational provision (e.g. mentoring)
- Targeted support for children and young people at risk of exclusions
- In-school centres (e.g. classrooms) to support pupils at risk of exclusion
- Creative school projects to support children and families whose first language is not English
- Volunteering and training opportunities

What is the eligibility criteria?

- To be eligible, the project must meet the following criteria:
 - Bids must exceed the minimum funding threshold of £10,000
 - The delivery of the project is contingent on funding from Enfield's community infrastructure levy (as no alternative sources of funding are available).
 - The project must be located within the borough (or at least part of it).
 - The project must comply with the regulations in that it “supports the development of an area” through “the provision, improvement, replacement, operation or maintenance of infrastructure...or anything else that is concerned with addressing the demands that development places on an area”.
 - The project must not form part of the delivery of council's normal functions (e.g. waste refuse collection) which are financed through the mainstream budget.
 - The project must not relate solely to political/lobbying activities (e.g. fundraising) and must not directly benefit individual councillors.
 - The project lead or sponsor must live and or work in the borough. Individuals or businesses will not be considered.
 - Organisations or groups submitting bids must be registered with a regulatory body (e.g. Charities Commission and Companies House).
 - Organisations or groups submitting bids must be able to demonstrate sound financial performance and management.
 - The fund cannot be used to fund the same project twice. The project should not have significant ongoing financial/revenue implications

Timeline

Date	Event
10 May 2021	Commencement of Enfield Neighbourhood Fund Round 1
June 2021 (date TBC)	Funding workshop for VCS organisations
09 July 2021 (5pm)	Round 1 closes
August 2021	Evaluation of bids
September 2021	Award of Round 1 funding to successful applicants
January – March 2022	Round 2 funding period

Department
for Education

Holiday Activities and Food Programme (HAF)

www.enfield.gov.uk

Striving for excellence

DfE standards for holiday provision

Our minimum standards aim to support high quality provision

Healthy food

Enriching activities

Physical activities

Nutritional education

Policies and procedures

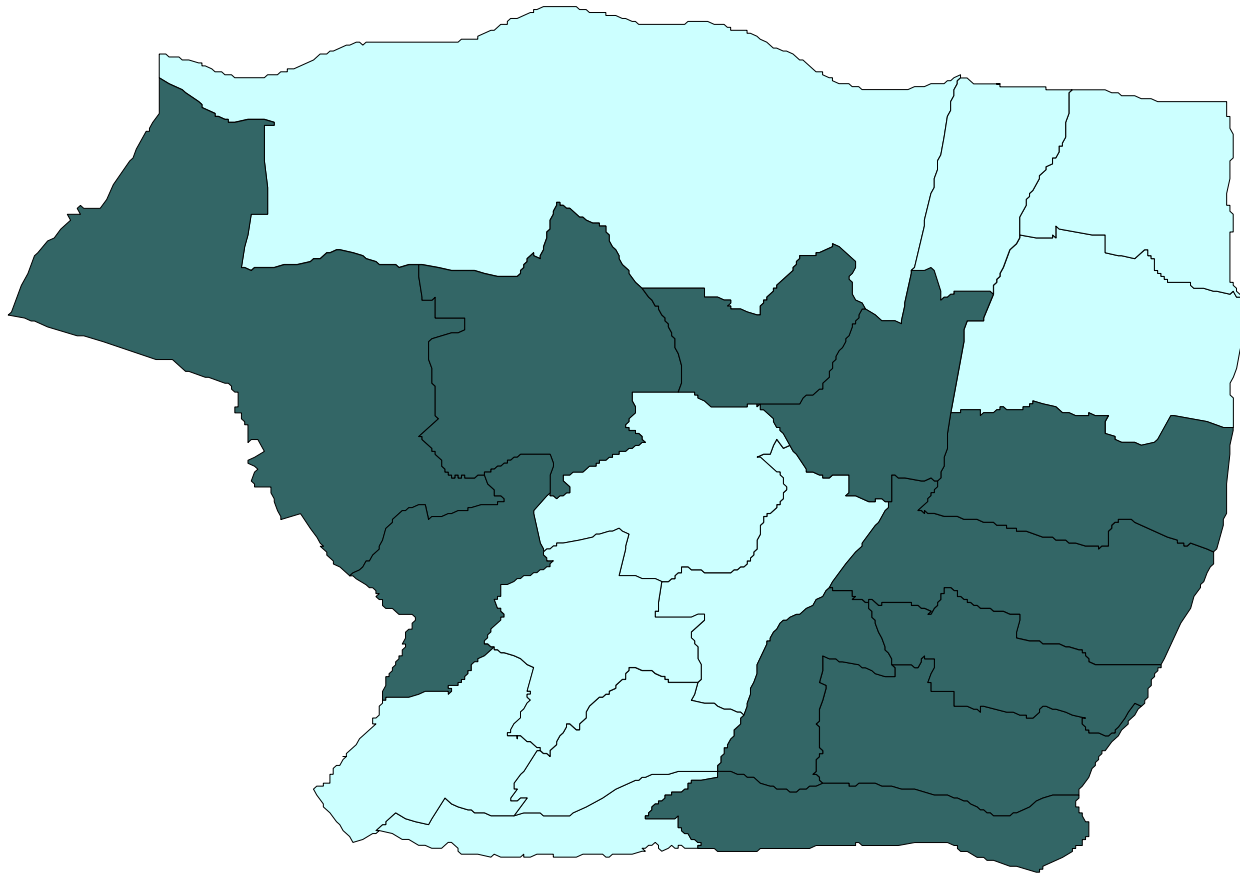

And a few other requirements:

- Inclusive and accessible provision (e.g. SEND and rural children)
- Provision offered to all FSM children in the local authority
- At least 4 hours for 4 days a week. For 4 weeks in the summer, and for a week in Easter and Christmas.

Easter headlines 2021

- 556 C&YP age 4-18 participated in the Easter holiday programme
- 385 from primary schools
- 171 from secondary schools
- On average C&YP attended the holiday provision for 5 days during the Easter holidays.
- 114 additional C&YP participated in the programme who were not eligible for free school meals
- Programmes took place in 8 Primary schools, 2 Secondary schools, Millfield Theatre, Oasis Community Hub and 4 youth centres
- The overall cost for the Easter programme was £147,431.75 including face to face delivery and management and coordination.
- There is a total of £1,493,520 available to Enfield for Easter, Summer and Christmas holidays 2021

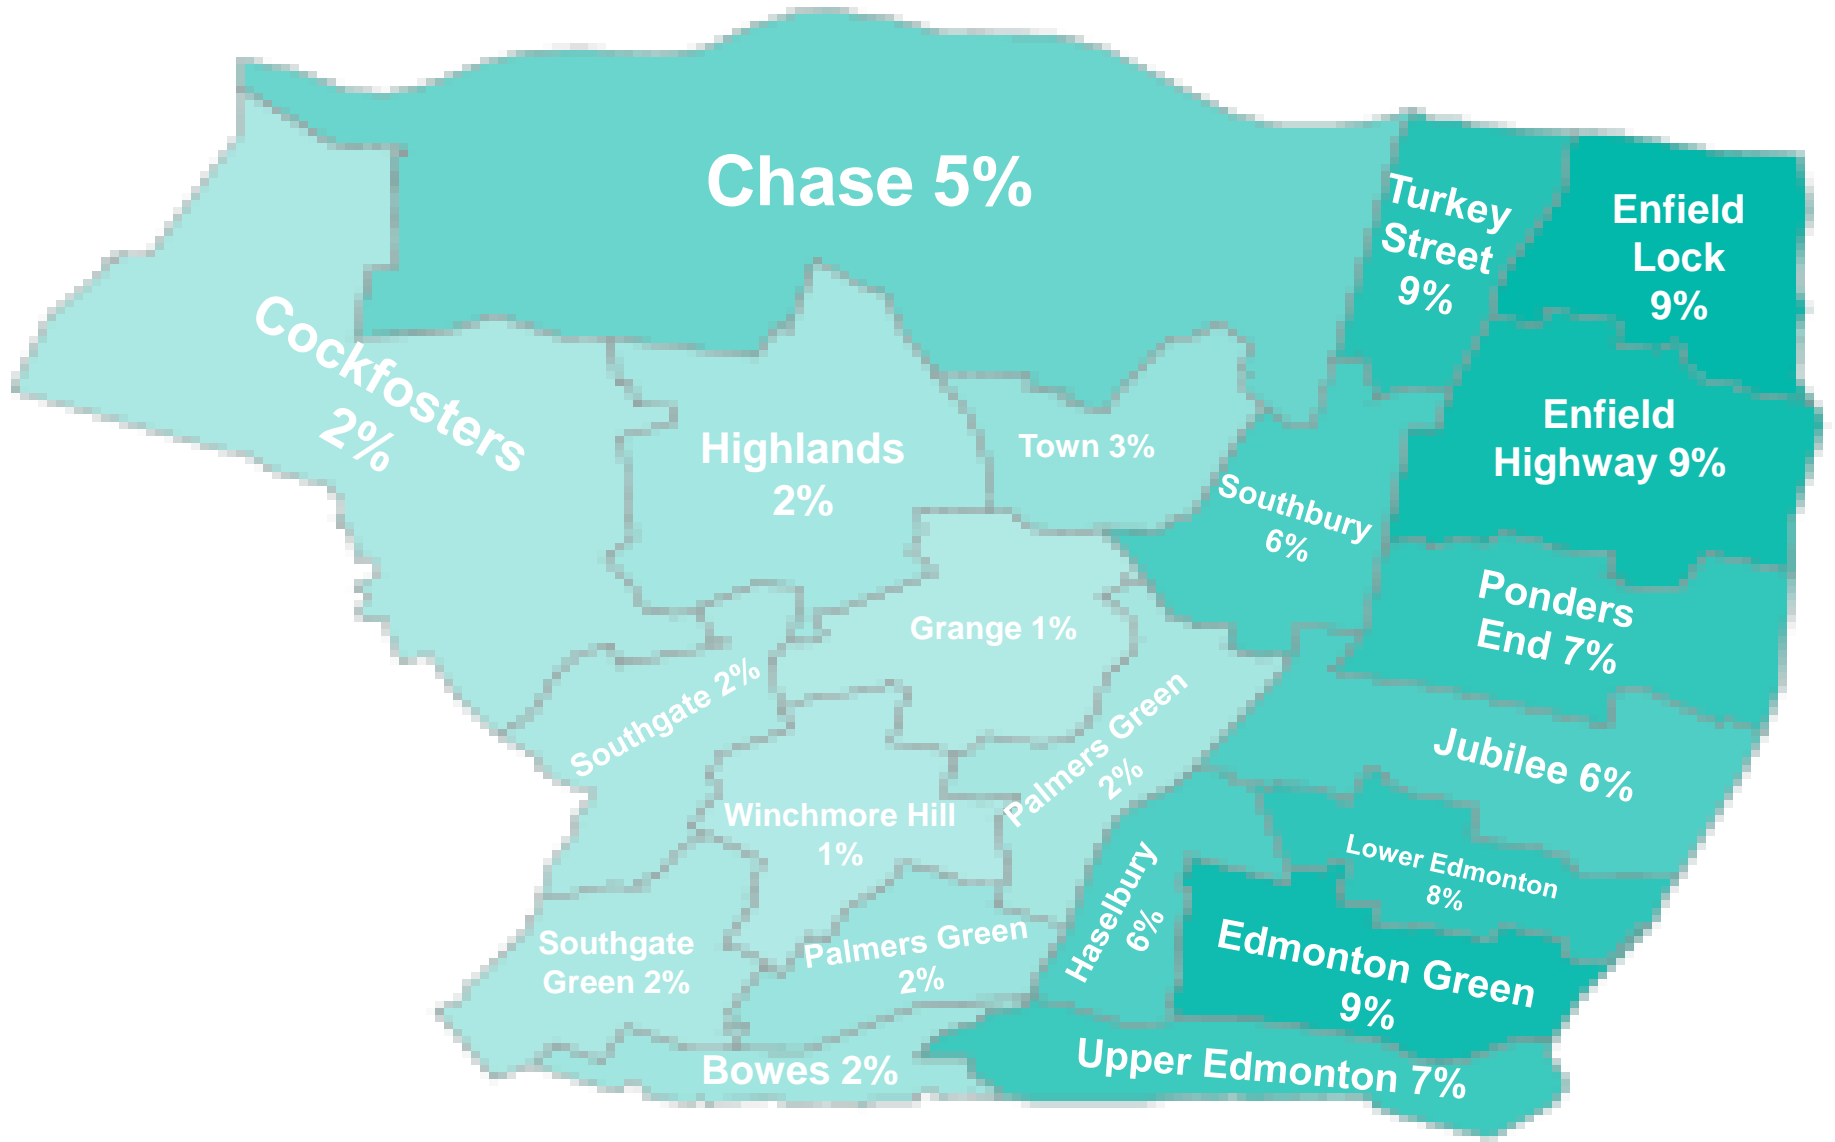

Map of Easter provision

Enfield Ward

Location of Easter Provision

Map of needs

Summer programme

- Deadline for applications was 10th May
- 15 applications were submitted – some are partnerships so located in multiple locations
- Working with providers to ensure all elements of the DfE requirements can be achieved
- Provisional number of places for FSM C&YP if all applications are successful is 7,000 over six weeks and programmes are located in the wards where the need is highest
- Two sports providers require a venue

Enfield Education - Inclusion Charter Workshop

We are committed to ensuring all school are supported to be fully inclusive. so they can thrive and reach their potential. We know that inclusion can mean different things to different people. We want to work together to create a shared vision for our schools.

Overview

The purpose of the workshop is to develop the vision for the Inclusion Charter. We will look at:

- Enfield's best practice examples of inclusion
- The principles of inclusive practice
- The creation and purpose of the inclusion charter

We have the following speakers bring their experience of promoting inclusion from various angles to our workshop, starting with a national and local overview. The full agenda is attached to this email.

Key Speakers:

Dame Christine Lenehan – Director of Council for Disabled Children

Peter Nathan – Director of Education, Enfield Council

Wednesday 16th June (15:30 – 17:30)

The workshop will be hosted virtually, a link to the online platform will be sent closer to the date.

If you wish to sign up or have any questions, please email at louise.gayle@enfield.gov.uk.
