Dear Head Teacher/Designated Teacher for LAC

Covid 19 Recovery Premium Grant (RPG) for Looked after Children School Led Tutoring Funding for Looked after Children

Covid 19 Recovery Premium Grant (RPG)

Following guidance received from the DfE, Enfield Virtual School will allocate the Recovery Premium Grant (RPG) for LAC to schools in two equal payments. This RPG is in **addition** to the normal LAC PPG of up to £500 per term received by schools. The first payment will be at the end of the Spring term and the second at the end of the Summer term in line with our LAC PPG payments. The total amount of RPG allocated by the DfE is £145 for those LAC in mainstream schools and £290 for those LAC in SEN units of mainstream schools, special schools or alternative provisions. Enfield Virtual School have however, decided to increase the amount of RPG given to £280 for each LAC in mainstream schools (2 equal payments of £140) and £420 for each LAC in SEN units of mainstream schools, special schools or alternative provisions (2 equal payments of £210).

In order to receive the RPG, details should be included in the termly PEP of how this additional grant will be used in the same way as LAC PPG is detailed. Where details are not included in the PEP or where a PEP is not completed for the term, funding will not be allocated. As the first payment is to be made at the end of the Spring term please ensure all PEPs are completed in a timely manner as the end of term coincides with the end of the financial year and any delay may mean that the grant is not allocated but returned to the DfE.

School Led Tutoring Funding

Enfield Virtual School is to receive school led tutoring funding for LAC from the DfE in 3 instalments and will in turn pass this funding onto schools in 3 instalments, the first of which will be paid to schools in January alongside the termly LAC PPG payments. This first
