

“ BeeZee Bodies is brilliant!  
It's a fun way to learn about  
healthy eating and I will  
remember the things I've learned

There are things my family and  
I do every day to help us be  
healthier that we wouldn't have  
done before BeeZee Bodies.”

Aimed at 5-15 year olds and their families, the course covers topics from healthy snacking, balanced meals, portion size and keeping active together.

Our team of family nutritionists are experts at engaging children around healthy eating and fun exercise, and have plenty of tricks to help you and your kids turn a good behaviour into a healthy habit for life!

BeeZee Families groups run after school in Enfield.

Kids will cook healthy meals, take part in fun games and sports, and make loads of friends!

Parents are supported by our team to handle conflict resolution, and benefit from the support network of likeminded families.

## PUTTING YOUR FAMILY'S HEALTH AT YOUR FINGERTIPS
