Council Risk Assessment Sheet

Activity:	Face to face Steel Pans Teaching in schools during Covid-19	No. of pages:	5	Page number:	1
------------------	--	----------------------	---	---------------------	---

What are the hazards?	Who is at risk and How would they be harmed? (e.g. staff, public, contractors – trip, slip, fall, assault)	What is currently done to reduce / control the risk?	Risk level scoring (H,M,L)	What more can be done to reduce risk?	Action by whom, by when?
Potential for exposure to COVID-19 via contact with others	Everyone	<p>Tutors should follow guidance from each school regarding access to communal spaces, movement around the building and pupils displaying symptoms.</p> <p>Face coverings may no longer be required but tutors should follow individual school guidance.</p> <p>Tutors should take Lateral Flow tests twice a week, 3-4 days apart</p>	L		EMS, School SLT and EMS Tutors - ongoing
Airborne/surface transmission of COVID-19	Everyone	“Catch it, kill it, bin it.”: Cough and sneeze into a tissue and dispose of immediately into the bin (or the crook of the elbow) and wash hands afterwards.	L		Everyone
Airborne/surface transmission of COVID-19	Tutors and pupils	Tutors should have access to hand sanitiser in the teaching space and/or hand washing facilities nearby	M		School SLT - ongoing
Airborne transmission of COVID-19	Tutors and pupils	<p>Sessions should take place in spaces where distancing of 2m between front row of pupils and EMS tutor can be maintained.</p> <p>Pupils should be staggered within the space so not positioned directly in front of each other.</p>	L	Tutors/pupils can opt to wear face coverings	School SLT and EMS Tutors – ongoing

		Teaching spaces should be well-ventilated and a gap of 10-15 minutes allowed between groups after each hour of teaching.			
Airborne transmission of COVID-19	Tutors and pupils	If tutors need to demonstrate on the same pan used by a pupil, the pupil should first step at least 1m away from the pan and remain there until the tutor moves away again.	L		EMS Tutors and pupils - ongoing
Surface transmission of COVID-19	Tutors and pupils	Pupils within a teaching group should all have their own sticks with no need for sharing within a group Sticks should be wiped down between groups by the pupils who used them. Tutors should have their own sticks which they use consistently throughout the teaching session.	M	Tutors can opt to wear gloves	School SLT/EMS Tutors - ongoing
Surface transmission of COVID-19	Tutors and pupils	Sheet music should not be used, with any resources displayed by whiteboard/projector instead. If notes need to be made, pupils should write their own.	L		EMS Tutors and pupils - ongoing
Surface transmission of COVID-19	Tutors using school IT & audio equipment	Any school computer/laptop keyboard to be wiped down before and after use in sessions.	L	Tutors can opt to wear gloves	School SLT and EMS Tutors - ongoing
Airborne/surface transmission of COVID-19	Tutors who are extremely clinically vulnerable (CEV), or live with a household member who is extremely vulnerable	The shielding programme has come to an end, and those who were previously considered CEV are now advised to follow the same guidelines as others as a minimum.	M	Tutors who are CEV should speak to the Head of EMS if they have significant concerns about continuing to teach in schools and/or have been advised differently by a specialist.	EMS/EMS Tutors - ongoing

	Tutors who are clinically vulnerable (CV) or live with someone who is				
<p>Staff who have higher risk factors to Covid-19 such as:</p> <ul style="list-style-type: none"> • Shielding staff • Clinically vulnerable (over 70 or underlying health conditions) • Pregnant • BAME • Carer for a vulnerable person • Men over 40 	<p>Staff with protected characteristics</p> <p>Emerging evidence suggests that alongside underlying health conditions, there are key demographic factors that can affect people's vulnerability or is a 'risk factor' in relation to COVID-19.</p> <p>The causes of these increased risk factors are not yet fully understood, and further research is taking place.</p>	<p>Tutors who have concerns about additional risk factors should discuss these concerns with the Head of EMS.</p> <p>Where there is agreement that the risk factors can be mitigated with the existing control measures in the risk assessment to everyone's satisfaction no change is needed. Where however it is clear there is increased risk for a staff member which is not mitigated by the existing control measures support will be provided to make necessary adjustments to further mitigate those risks.</p>	M	Tutors can opt to wear a mask and/or gloves whilst teaching	EMS/EMS Tutors - ongoing
Access for tutors with disabilities	Disability might impact on how tutors can move around the building or use an adjusted workplace	Tutors who have concerns about their ability to access teaching spaces should contact the Head of EMS to discuss this further.	L		EMS/EMS tutors - ongoing
Tutors with COVID-19 symptoms and potentially spreading to staff and others	Everyone	Tutors who become symptomatic should inform the Head of EMS as soon as possible and should not attend any schools.	L		EMS tutors - ongoing

		<p>Tutors should inform the Headteacher immediately if they become unwell whilst in a school, and also subsequently notify the Head of EMS.</p> <p>Tutors should follow Government guidance on self-isolation if they display any symptoms of COVID-19 and/or are a contact of someone who becomes symptomatic and/or tests positive: https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/</p> <p>Tutors should inform the Head of EMS as soon as possible if they if they test positive for Covid-19.</p>
