WE ARE
Morgan Stanley

JOIN US AT OUR STEP IN, STEP UP: FOUNDATIONS IN FINANCE PROGRAMME

At Morgan Stanley, we strive to build an organization that is diverse in experience and background, reflecting our standards of integrity and excellence. One way we demonstrate this commitment is through Step In, Step Up: Foundations in Finance Programme, which is an integral part of our diversity recruiting efforts.

STEP IN, STEP UP: FOUNDATIONS IN FINANCE STEM STREAM

Step In, Step Up: Foundations In Finance (London) STEM Stream is Morgan Stanley's development Programme aimed at identifying undiscovered talent who have an interest in Science, Technology, Engineering or Mathematics and are keen to learn how these subjects come to life in the world of Finance.

We're looking for diverse and underrepresented voices from less privileged backgrounds who are keen to learn about our industry and release their potential. Applicants don't need any experience, just a passion and eagerness to learn.

Through a 4 day programme of workshops, students will gain insights into a number of different areas, including Technology, Investment Banking, Global Capital Markets and Sales, Trading & Research. Students will have the opportunity to delve into our culture and quiz employees through mentoring, networking, technical and professional skills training and panel sessions. Participants will have the opportunity to be considered for a place on the 2023 Technology Spring Insight programme.

Date: 30 August 2022 to 2 September 2022
