

ABOUT

*The Queen's
Platinum Jubilee*

In 2022, Her Majesty The Queen will become the first British Monarch to celebrate a Platinum Jubilee after 70 years of service.

Many events and activities will be happening throughout the UK and beyond to celebrate the Platinum Jubilee.

Here at Schools Traded Services, we're providing events and competitions for your school to take part in.

Art Competition

The Queen's Jubilee is coming... and we'd like to commemorate it by celebrating the artistic talent of Suharto produced by Enfield's chilled young people.

We are looking for art that touches thematically on what's important to Enfield residents - whether it's the Enfield Green canopy of trees and forest, the notion of strong roots, the longevity of The Queen's reign or the strength we have in the diversity of Enfield's population.

It doesn't have to be newly produced pieces - we know that children and young people are producing art all of the time. What's important is that all entries fit the themes.

So - what are you waiting for? Let's fill this Borough with artists!

Poetry Writing Competition

The Queen's Green Canopy (QGC) is a unique tree planting initiative created to mark Her Majesty's Platinum Jubilee in 2022 which invites people from across the United Kingdom to "Plant a Tree for the Jubilee".

Tree planting will commence again in October 2022, through to the end of the Jubilee year. With a focus on planting sustainably, the QGC will encourage the planting of trees to create a legacy in honour of The Queen's leadership of the Nation, which will benefit future generations.

We would like to give children and young people in the London Borough of Enfield the chance to respond to this, to think and write creatively about the climate crisis and their response to the QGC project and its positive impact.

We are giving children and young people purpose, passion and a platform to write a poem. We hope that it will help them to fall in love with poetry and help them to express themselves through poetry.

They have funding to be able to deliver 20 free intergenerational workshops to primary schools in Enfield and the care home residents they are linked with. These workshops will focus on sharing stories and memories linked to the Queen and the Platinum Jubilee as a starting point for creative music-making activities. Together With Music also offer a free ongoing platform to help schools sustain the relationship with the care home and its residents and support communities as they rebuild post-pandemic.

You can find out more about Together with Music [here](#) and to register interest in the workshops, email: rachel@imm-music.com

Dessert

Jubilee Trifle (V)

Commonwealth Cookie (VG)

To celebrate the Queen's Platinum Jubilee, our team has put together ingredients that celebrate the dishes and flavours of the Commonwealth.

We did research on what dishes the Queen's coronation banquet involved. We had to settle for Coronation Chicken, Green Beans and New Potatoes as we could not source the Turtle soup they enjoyed at the banquet!

If you would like this menu served in your school please contact your schools catering Area Manager
