City & Guilds Assured Training for Teachers

City & Guilds

ASSURED

Our fully funded City & Guilds Assured training will equip you with the knowledge and resources to inform, educate and safeguard your students, and provide them with the information to make informed choices.

450+ Resources

All 450 complimentary and downloadable resources are mapped to the PSHE Programme of Study and RSE statutory Guidance with long-term Thematic Plans, Schemes of Work, presentations and Lesson Plans from KS2-5.

Topics we include:

- ✓ Gaming and Gambling Related harm
- ✓ Advertising and Regulation
- ✓ Mental Health and Wellbeing
- ✓ The Blurred Lines Between Gaming and Gambling
- ✓ Digital and Financial Literacy
- ✓ How to Spot Signs of Harm
- ✓ Where to Get Help and Support

Parent Hub and FREE Workshops:

Providing parents and carers with the knowledge and resources to safeguard families from gaming and gambling related harms. Find free practical tips, interactive activities, and expert advice to help parents understand the risks, and manage their child's safety online. Fully funded workshops available for Parents, Carers and Family Support organisations.
