

apply for a Library Card

Haven't got a library account yet? No problem, you can apply for one online or in branch. If you are under 16, you will need a parent/guardian to open an account on your behalf.

Once you have a library card, you'll be on your way to unlocking many of the library's free resources, including free reservations and transfers on millions of items owned by other authorities via the largest sharing scheme, The Libraries Consortium.

get some **work experience**

Looking for a place to gain work experience? Develop transferable skills, such as communication and team-working with libraries. Understand how this essential public service works, learn to use initiative and build your confidence in interacting with adults.

Volunteering **opportunities for +14**

Volunteering in libraries will provide you with skills to take back to school or into the workplace post-education. You can include your experience on your UCAS application if you choose to go on to higher education too. You'll gain a sense of independence and be able to pick your own hours and select your preferred role.
