Kooth Newsletter - August 2022

Schools out for Summer!

As the schools are now broken up for the summer holidays we would like to wish everyone a restorative break and thank you all for reading our monthly newsletter this last year, we hope it has been helpful. We are still very much here for young people over the summer so please see a couple of updates below and we look forward to working with you again for 2022/3.

If you are moving on please do let us know if there is anyone else that may find this useful next academic year.
