

# Enfield Trauma Informed Practice in Schools and Settings (E-TIPSS)

## E-TIPSS ARC Framework Practice Support Workshops

### What?

The E-TIPSS programme is providing four workshops to develop your trauma informed practice. These facilitated sessions will provide space and time to think in-depth about how to apply the ARC framework in your setting. You will be able to bring questions, issues and concerns from your setting and share good practice.

### Facilitator?

E-TIPSS Champions & Kati Taunt (ARC Consultant to Enfield)

### When?

Each session will be 3 hours long and will focus on one of the four main domains of the ARC framework.

**26<sup>th</sup> September 2022**- Engagement, Psychoeducation, Routines & Rituals

**3<sup>rd</sup> October 2022**- Attachment

**10<sup>th</sup> October 2022** - Regulation

**17<sup>th</sup> October 2022** - Competency

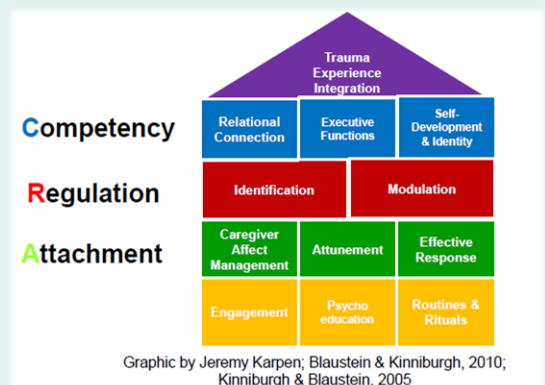

The sessions will start at 13:30 and end at 16:30.

### Who?

We would like for attendees to attend all 4 workshops in the series. These workshops are for school staff who have been introduced to the ARC model through the full two-day training. However, it would be most useful for senior leadership teams or those who have responsibility for the mental health and wellbeing of their school community such as Learning Mentors, Family Support Workers or people who have a key worker role.

### Where?

Venue is to be confirmed
