

Do you hold any responsibilities relating to your school's attendance?

Join the Education Welfare Service for a series of helpful virtual workshops!

We want to support you to effectively manage your school's attendance.

We will:

- ✓ Explore coding and its uses
- ✓ Explain Children Missing Education -
When a child is CME and the process to follow
- ✓ Explain Penalty Notices -
How to use them and the legal implications
- ✓ Connect you with other attendance officers to share best practices
