

ENFIELD INCLUSION CHARTER SPRING EVENT

We are excited to be hosting our second Inclusion Charter event in the spring term. The Enfield Inclusion Charter is a set of 8 principles for early years settings, schools and colleges to commit to providing an inclusive education for children and young people in Enfield.

Target audience:

Headteachers, SENCOs, School Leaders, Professionals that work in schools, Governors.

You are invited to join the second Inclusion Charter Event and hear about its relevance for your setting, good practice in Enfield and support available to settings.

The event will focus on two more protected characteristics and revisit our SEND driver – a culture where we embrace difference and where barriers are minimised or removed.
