

Applications are open for School Food Champions!

It's a fully funded, whole-year group intervention for Key Stage 3 with:

- an assembly and curriculum time sessions in term one
- and an extracurricular club in terms two and three.

Students will uncover the problems and injustices within our food system, gather evidence from their school and community, and devise a social action project that will transform their school canteens to put child health first!

So far, more than 1,200 pupils have driven changes including:

- redesigning school meals to make them more nutritious but as tasty as ever
- doubling the number of seats in canteens
- setting up breakfast clubs to provide a healthy start to students' days

Schools selected for the programme receive £1000 for staffing plus resources to the value of £400.
