

We want to make our parks more welcoming and inclusive for all young people. And we want to hear the views of 12–25 year olds on how to do this.

The Council, Friends of Broomfield Park and Palmers Greenery Community Cafe have teamed up with Make Space for Girls (a charity that campaigns for parks to be more inclusive) to improve our parks. As part of this, we would like to listen to what young people age 12 to 25 think about Broomfield Park.

Please scan the QR link below to complete the survey so we can hear your views.
