

Morgan Stanley

Empowering you to achieve your full potential

Step In, Step Up: Foundations in Finance

A career at Morgan Stanley, means working alongside the best and brightest, in an environment where you are supported and empowered to achieve your full potential.

Step In, Step Up: Foundations in Finance is aimed at identifying undiscovered talent and supporting socio-economic diversity. The programme is designed for Year 13 students starting university in Autumn 2025, who have an interest in the industry and /or STEM (Science, Technology, Engineering & Mathematics) and want to explore the opportunities Morgan Stanley has to offer.

Empowering you to achieve your full potential

Get Started with Your Step In, Step Up: Foundations in Finance Application

The Application Process

Step 1: CV

Submit your CV as early as you can. Your CV should demonstrate your academic credentials, and any extra-curricular activities or work experience you may have.

Step 2: Online Testing

You will be invited to take a few online tests testing your numerical, verbal and logical reasoning. We recommend you practice some tests before hand and have a pen, paper and calculator with you. Useful information & tips [here](#).

Step 3: Video Cover Letter

You will be asked to submit your cover letter via video. Make sure to include what attracts you to the type of work we do, why you're interested in our company and why you think you'd be a good fit.

Step 4: Interview

If successful, we will invite you to a short motivational interview. We use interviews to find out who your motivations and understanding of our business and who we are. Do enjoy the conversation, be honest, we don't expect you to understand all spheres of the markets, finance, and economics but make sure you familiarise yourself with our history, more information on the Investment Banking industry [here](#).

We look forward to receiving your application! If you have any questions regarding the Programme, please contact us emeaeearlycareers@morganstanley.com
