CK Performing Arts deliver musical theatre classes for children. This includes dance, drama and singing lessons. The children will take part in a dance class each morning, followed by a drama and/ or singing lesson, and finish the day off with arts and crafts.

All lessons are led by qualified, industry professionals who have plenty of teaching experience. Lessons are fun and engaging and are wonderful for children who love to perform, for those wanting to learn or develop new skills, or for those children who need an extra boost with their confidence through expressive arts.

# Walker Childrens Club - Prince of Wales Primary School (Level 2&3 SEN Support)

47

At Walker Children's Club Summer Camp, we strive to create a supportive and inclusive environment for children, including those with additional needs. Our dedicated team provides personalised care that includes direct support for personal care routines, assistance with eating, and regular help for any physical, sensory, or medical needs your child may have.

To ensure we meet your child's individual requirements effectively, it is crucial for us to receive clear and detailed information from you about their specific needs and preferences. Understanding your child's capabilities, including their ability to regulate behaviour safely, allows us to create a nurturing atmosphere where they can thrive.

By working together and sharing insights, we can provide the best possible care for your child, ensuring they feel safe, valued, and supported in our setting.

Walker Children's Club (WCC) is providing an action-packed programme of Summer holiday club activities. This will include sports, arts and crafts, Cooking and much much more. Children will be provided with lunch each day of the programme. You can book single sessions or for the whole 10 days.

Thank you for your cooperation and trust.
