

Service Level Agreement (SLA) for Enfield Swim Services – School Swimming Programme 2025/2026

Introduction

This Service Level Agreement (SLA) outlines the responsibilities, guidelines, and expectations for Enfield Council's School Swim Programme. The SLA applies to all participating schools and covers the period from December 2025 to June 2026. The service will provide swimming lessons, safety measures, and water education in line with the national curriculum, to pupils under the supervision of both school staff and swim instructors.

This SLA forms part of the General Terms and Conditions that the school has either signed up to or will sign up to when purchasing the Enfield Swim Services package. These General Terms and Conditions are available to review on purchase check out on the Schools Traded Service Hub.

The Service

Aims & Objectives:

To ensure that all primary pupils will be able to swim confidently by the end of year 6.

To provide high-quality, safe swimming lessons for students.

To teach and encourage pupils to obtain water confidence, basic stroke techniques, water skills, flotation, submersion and a safe self-rescue.

Obligations

School & Teacher Responsibility: The school is responsible for ensuring that the pupils' behaviour, safety, and health information are properly communicated to swim instructors. All pupil health conditions must be uploaded onto the Swimphony system before any pupil can access the School Swimming Programme. Failure to do so may result in the pupil being unable to swim until their health information is uploaded.

- It is the responsibility of the school to read and adhere to all the instructions and guidance within the teacher's letter and the parent's letter prepared for you to distribute.
- It is the responsibility of the school to read and adhere to the swimming handbook which contains important information including emergency procedures and essential procedures to follow for children with SEND or medical conditions.

Swim Instructor Responsibility: The swim instructor is responsible for leading the lesson and the safety of pupils once they are in the water, including:

- providing proper water safety and guidance during lessons;
- Provision of equipment;
- Ensuring the swimming lesson can be delivered safely;

-
- Providing all instructions;
 - Ensuring pupils swimming experience and water confidence is enhanced; and
 - Management of pupils when in the water.
