Secondary 5% increase – The YVED report shows the school is below their statistical neighbours, can they do more!

Lower numbers = less funding for schools like the secondary and PS 1 – PS 1's YVED disproportionality in Y3

With higher SEN needs means less time for attendance – PS2's YVED report showed Vs Stat neighbours there Y4 and Y6...

YVED helps, but doesn't create time/money like PS3 needs to put into attendance due to reduced resources – but their YVED...

My take = Please read the YVED report
