

# FLIGHT path

**London schools:**

**Discover Your Flight Path**

FREE digital workshops for **Key Stage 2** and **3** classes  
on **10 February** at **10am** and **2pm**.

Discover the wide range of careers in London's thriving aviation sector from aircraft engineers, air traffic controllers, and airport security professionals to emerging roles in green aviation.

Take part in fun challenges and meet the people who keep us flying.

**Sign up your class now by clicking  
the buttons below**

**Tuesday 10 Feb**

**10am - Primary Schools**
