

ENLab Project Aims

- To ensure Enfield's heritage and parks are accessible to Schools and Families.
- To develop activities that bring Enfield's heritage to life.
- To create a joined up, borough wide heritage education offer.
- To develop 12 curriculum-based schools packs. To launch borough wide heritage family clubs. To launch an annual heritage festival.

What will schools gain from taking part?

- Have a say in the development of new curriculum-based resources.
- Discover a wide range of local sites to visit with your students.
- Offer your students opportunities to work with heritage professionals.
- Gain the information you need to lead effective local learning outside the classroom.

What will friends of parks gain by taking part?

- Inspire future custodians of your park.
- Grow your audiences.
- Build resilience.
- Strengthen ties with local primary schools.

What will families gain from taking part?

- Access to engaging activities on their doorstep
- opportunities to learn about their local environment
- Feeling connected to the community.

What will partners gain from taking part?

- Develop a robust and sustainable schools offer
- Grow an active volunteer base/
- develop volunteers' skills and confidence in working with Schools audiences.
- Develop inclusive interpretation of your collections.
- Increase your organisations resilience.
