

## APPLY FOR OUR FREE IN-SCHOOL SUSTAINABILITY PROGRAMME

**In The Know** is NLWA's in-school programme for north London primary schools. It helps pupils reduce waste and build lasting sustainability habits. It's practical, supportive, and tailored to your school.

## WHAT'S IN IT FOR YOUR SCHOOL?

5+ days of NLWA led engagement

Improved internal communications

Support with long-term Climate Action planning

Curriculum-linked, teacher-led resources

Improved waste and recycling infrastructure and services

An off site end of programme awards celebration

## HOW TO APPLY

Complete the quick online application form and upload a student poster explaining why your school wants to join In the Know.

→ Scan the QR code or visit the website to get started!
