

Enfield Prevent Network

Working together to strengthen Prevent Practice in Enfield

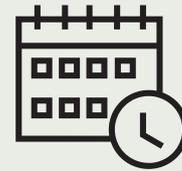

This is a partnership Prevent meeting that oversees Prevent delivery in Enfield.

You can expect updates from:

- **Prevent Education Team**
- **Prevent Community Team**
- **Counter Terrorism Police**
- **NHS Representative**
- **Home Office Representative**

Join colleagues from across Enfield for the latest police, policy, education, health and community updates relating to the Prevent duty. This network meeting provides an opportunity to strengthen partnership working and discuss emerging themes.

We welcome feedback from schools on what is working well and what further support may be needed, helping to shape future guidance and local priorities.

Thursday 12th March
11.00am - 12.30pm
